INDEX TO VOLUME LXXVII

January to June 1960

A

AC Spark Plug AChiever guidance system for Thor, assembling and testing (photo), 224
AEI Motor & Control Gear Division, G. E. V. Ling appointed, 124
—, radar recording, 139
AGARD, first half 1960 meetings announced, 97
—, *High Mach Number Air-Breathing Engines* colloquium, impressions of, 604
APSA, Lockheed Electra order reported, 323
Accident index (S. & L.), 214
— Investigations Committee, members announced, 29
— —, pilot's appraisal of inquiry procedure (illus. article), 447; further remarks after correspondence on, 698
— statistics, 1960's unlucky start, 94; further accidents, 160; 1960 record to date, 319
Leader, 295; further accidents, 608
— — (S. & L., donkey-kick), 539
Accidents, gliding, during 1959, 571
ACCIDENTS:
A. & A.E.E. Victor B.2 which disappeared August 1959, tailplane section found, 582
Aerolineas Argentinas Comet 4 on training flight after heavy landing at Buenos Aires Airport, 294
Air Algerie Caravelle in collision with biplane, 737
Alitalia DC-7C shortly after take-off from Shannon, 319
— Viscount while landing at Rome, 29
American Airlines Electra into East River, February 1959, C.A.B. report, 91; report questioned by A.L.P.A., 128
Avianca Super Constellation at Montego Bay Airport, pilot blamed, 392
B.E.A. Elizabethan at Munich, 1958, Munich Airport manager, "no justification for new inquiry", 293; independent body public hearing announced, 390; report (photo Capt. James Thain with his wife), 545
— Viscount blaze after landing at L.A.P., 94; cause of, 671
— — ran off Idaho runway, 94
B.K.S. Elizabethan undercarriage leg collapsed after landing, 354
B.O.A.C. Comet belly landing at Ciampino Airport, 55
— —, wheels-up landing at Rome reported, 129; quick repair, cause of, 219; cause established, 323; other incidents, 425; commander demoted, co-pilot reprimanded, 458
— — 4 (1959), Indian Government report, 770
— — — undercarriage collapsed on landing at Madrid, 357; hit high ground before landing, details, 425
B.S.A.A. Tudor *Stardust* wreckage believed found, 774
Balair DC-4 at Djebel Marr, 741; statement by director, 810
Boeing KC-135 Stratotanker out of control at Walker A.F.B., 197
Brazilian Air Force T-6 collision with V.A.S.P. Viscount, 29
Bristol Britannia (1957), cause of, 700
Capital Airlines Viscount near Holdcroft, Virginia, 160
Delta Air Lines Convair 880, during take-off from Atlanta Airport, 741
East African Airways DC-3 while taking-off from Entebbe, 129
English Electric Lightning T.4 over Irish Sea, October 1959, dinghy exhibited at Boat Show, 3; search operations abandoned, 327
Gulf Aviation Dove on hire to Hunting Aerosurveys near Lahore, Pakistan, 323
Indian Airlines DC-3 west of Taksing, 94
Javelins of No. 29 Sqn. collide over North Sea, 768
K.L.M. Super Constellation 100 miles off Shannon, 1958, sabotage investigation, 579
Lineas Aeropostal Venezolana DC-3 in northern Venezuela after bomb explosion, 641; survivors' stories confirmed after investigation, 671
Lloyd Aereo Boliviano DC-4 shortly after take-off, 223
— Aero Colombiano C-46 at El Dorado airport, Bogota, 608
National Airlines DC-6B in Bolivia, 94; reasons for suspecting sabotage, 128; 1960 fatalities, 160; C.A.B. "conclusive evidence" of sabotage, 319
Navegacao Aerea Brasileira, C-46 at Puerto Rico, 741
Northwest Airlines Electra in Southern Indiana, 422; intensive investigation, 641; Electras will be structurally improved, 671; £18m. programme, 697
Pacific Northern Airlines Constellation lost on flight to Anchorage, 883
Piedmont Airlines F-27 collision with Cessna 310C over North Carolina, 611
R.A.F. Lightning lost after pilot ejected, 327
— No. 111 Sqn., death of pilot at Wattisham, 817
R.E.A.L. DC-3 and U.S. Navy R6D collision below Sugar Loaf Mountain, 319
Ryan VZ-3RY Vertiplane, pilot successfully ejected, 357
S.A.S. Caravelle before landing at Ankara, 160; inquiry findings, 189
Sailplane collision in Austria, 857
Scottish Aviation Twin Pioneer during demonstration at Johat, Assam, 357
Skyways Hermes starboard undercarriage collapsed while landing at London Airport, 392
Sobelair DC-4 into Mount Bogora, 608
Sociedad Aeronatica Medellin S.A. Colombian C-46 near Medellin, Colombia, 424
Soviet "Ilyushin airliner" on flight from Kabul-Tashkent, 163
T.A.A. Friendship disappears in fog, 851
Transair DC-3 near Barcelona, 1959, MoA receives Spanish report, 257; report published, 389; "unsatisfactory investigation", question in House 546; S. & L., 731; further questions in HoC, 739
Transportes Aereos de Timor DH-Heron missing on Darwin-Portuguese Timor flight, 189
Trans-World Airlines 707 undercarriage collapse at New York International, 701
— — —/United Air Lines, 1956, jury find T.W.A. partly to blame, 741
U.S. Navy R6D and R.E.A.L. DC-3 collision below Sugar Loaf Mountain, 319
V.A.S.P. Viscount collision with T-6 over Rio de Janeiro, 29
Adams, Don (author), 168; 198; 215; 407
—, Russell, Hunter air-to-air study included in *Press Pictures of a Decade*, 431
Aden Airport, runway strengthening, 129
— Airways, Avro 748s, three ordered, 579; details, 637
— —, B.O.A.C. Argonauts, three bought, 129
Advanced Research Projects Agency, Director, Brig.-Gen. Austin W. Betts named after Dr. Charles Critchfield declined, 5
— — — —, Transit 1B successfully launched, details, 556; photos, 584
Aeolab Development Co. acquired by Ryan Aeronautical Co., 99
Aer Lingus-Irish Air Lines, B.E.A. shareholding in, no Irish Government transaction, 773
— — — — —, Boeing 720, first delivery and service inauguration dates, 579
— — — — — — —, option on further two considered, two registrations "reserved for Aerlinte", 163; Canadian Marconi Dopplers ordered, 282
— — — — — — — simulator to be installed at Dublin, 365; photo, contract signing, 390
— — — — —, Dublin-Anglesey "air bridge" coach-air service suspended, R.A.F. Valley unobtainable, 55
— — — — — — —Yeadon service inaugurated, 546; photo of James Gorman being met by Lord Mayor of Bradford after inaugural flight, 578
— — — — — Friendship, Renfrew emergency landing, 29
— — — — —, Japanese visitors study operation of Friendship (photo), 610
— — — — —, London to Shannon service inaugurated, 810
— — — — —, services curtailed by pilots dispute, 425; agreement reached, 469; strike effects, 670
— — — — —, Viscount 808 bought, modified by Vickers, 29
Aero Commander, 4 new models (photo of 500A), 624
— Contractors Nigeria Ltd. formed, 321
— Engines 1960 (illus. review), 367
Aerial advertising opposed in HoC, 460
Aerodrome Owners' Association, annual conference to be held at Folkestone, 883
— — — — dinner, delegation discuss problems with MoA, 321
Aeroflot An-10A at Prestwick (photo), 29
—, An-24 believed flying on test (photo), 847
—, helicopter service city centre-Moscow Airport contemplated, 163
—, IL-18 and Tu-114 introduction on various services, 94
—, New York-Moscow services, possible inauguration times, 610; further discussion, 772
— Tu-114, skipper's comment on Boeing 707 (S. & L.), 871
Aerojet-General Corporation, Aerobee-Hi rocket launched with optical telescope payload, report and photo, 784
— — —, S.N.A.P.-8 negotiations with N.A.S.A., 435
Aerolineas Argentinas Comet 4 caught fire after heavy landing at Buenos Aires Airport, 294
— — — —, fourth delivered (photo, awaiting collection), 391
— — — — seized at Rome, 701
— — — — simulator leaves General Precision Systems factory, 458; acceptance tests (photo), 469
— —/Misrair, South America-Middle East route to be established, 53
— —, Robertson, A. W., appointment in Buenos Aires, 883
— —, South American Air Union to become partner?, 774
Aeronautica Macchi, Lockheed Aircraft Corp. acquire "important interest" in, LA-60 Utility Wagon to be built under licence, 65
— Sicula, Doman IZ-5 helicopter agreement signed, 136
Aeroplane & Armament Experimental Establishment, Boscombe Down, Air Cdre. J. F. Roulston appointed A.O.C., 357

LIBRARY
UNIVERSITY OF UTAH

Aeroproducts 606 Electra propellers, F.A.A. order return for servicing, 29
Afghanistan/Great Britain air services agreement being negotiated, 223
Air Algerie, Caravelle, first accepted, 163; first delivery (photo), 187
— — — in collision with biplane, 737
— —, Paris-Algiers route, Caravelle to be used, 55
— B.P., filtration test unit at Tarrant Rushton (photo), 704
— — /Malev, fuel contract signed, 611
— Baltic, booklet on charter operations published, 847
Air-Britain national aircraft recognition contest, winners, coloured cine films introduced, 397
— Carriers/Hunting-Clan African Airways merger, background to, 92
— Ceylon, Canton service threatened by Chinese refusal to give navigation information, 810
— — inaugurating Colombo to Canton and London service in October, 641
— Charter Ltd., air co-operation, agreement for 809
— — —, Britannia at Southend Airport (photo), 811
Air Charter Ltd., Channel Air Bridge/Automobile Association, crashed cars and motor cycles agreement, 641
— — — Channel Air Bridge Div., ATL-98 progress report (illus.), naming competition organized, 255
— —, railway link and plans, 125; details, 544; no-passport day trips to Calais inaugurated (photo), 577; other no-passport trips announced, 741
— Condor, new independent (loading photo), 466
— — to lease Viscount 700s, details of other aircraft, 810
— Despatch, article on (photo Valetta), 824
— Estimates, 1960-61, extracts from (illus.), 265; debate on, 342; Flight Refuelling Canberra refuelling Javelin FAW.7 (photo), 349; Lords debate, plea for integration of Transport Command with Army, 580
— Forces' Memorial, annual service of commemoration announced, 642
— France, Boeing 707, 100th, delivered, 458
— — — —, Paris-New York service inaugurated 189
— — — —, pressure failure incident, 546
— — — —, R.F.D. liferafts and lifejackets ordered, 348
— — — 707-320s, considering purchasing three more, 611
— — Caravelle (photo LAP loading scene), 162
— — — 3s, Sabena negotiating for lease of three, 189
— — /El Al, passenger traffic discussions end in discord, 90
— — /Japan Air Lines, pool agreement covering Polar route between Tokyo and Europe signed, 323
— —, Los Angeles, formally granted permission to operate into, 546
— — /U.A.T., Africa services pool, 457
— — Viscounts purchased by Maitland Drewery Aviation Ltd., 774
India, Boeing 707, Government approval for fourth purchase, 163; 707-420, 189
— — — — New York services starting date, 223
— — — 707-420 crew-training flight report, Conway performance, 456
— — — — European proving flights completed (photo), 467
— — — —, first makes record non-stop flight to Bombay (photo), 293; details, 322
— — — — left for New York for joint A.I.-B.O.A.C. proving flights, 579
— — — 707-420s, hangar at Bombay (photo), 698
— — /East African Airways, Nairobi-Bombay services, preliminary pooling discussions, 129
— — International/Seaboard & Western, freight services agreement extended, 55
— —, Rolls-Royce Conways, first of ten delivered, 55
— —, strike over Boeing 707 training ended, 129
— League of the British Empire, British light aviation, policy flight-plans for, questions and answers, 416
— — — — — —, county branch to be formed, 781
— — — — — —, *The Future of British Air Transport* published, 544; questions and recommendations, 575
— Liban, Caravelle, likely to purchase three, 458
— Line Pilots Association, C.A.B.'s report into American Airlines' Electra accident at La Guardia, February 1959, questioned, 128
— Minister explains new officer career structure, 289
— —, R.A.F. Coltishall visit (photo of Lightning FAW. 1s), 672
— —, South American tour, 742
— — speaking on claims for damage attributed to low-flying or supersonic aircraft, 672
— Ministry, Deputy Under-Secretary of State appointed, Frank Wood succeeding R. H. Melville, 453
— —, Director-General of Personal Services appointed, 580
— —, Director of Air Plans appointed, 89
— — — — Intelligence (B) appointed, 24
— — — Operational Requirements (A) appointed, 672
— — — — Work Study appointed, 218
— Nautic, DC-2 purchased, 641
— Navigation Order, revised version put before Parliament, details of, 882
Air Pilot, ideas for improving, 85
— Registration Board announce issue of Notice No. 15, Issue 2, 294
— — —, automatic landing (illus. article), 246
— — —, B.C.A.R. Section E, Issue 2, *Gliders* issued, 741
— — —, Boeing 707, B.O.A.C., approval still withheld, to be modified (photo), 187; ventral fin fitted experimentally (drg.), 228; Boeing paying for changes, 292; certification and first delivery imminent, 544
— — —, Council of, notices issued, 163
— — —, ground engineers' guide, 161
— — —, No. 58 Issue 1 announcement, 579
— Safari, Hermes 4 (photo), 883
— safety (Leader), 295
— — must be enforced (article), 442
— Schools group, winners of flying scholarships, 146
— — organization, free flying scholarships offered, 450
—/sea traffic ratios, 1958 and 1959, 94; air traffic ascendency, 293

— — controllers/Elstree Aero Club get-together, 357
— —, summary and review of British air traffic in the financial year 1959-60, calendar-year 1959, and North Atlantic traffic in 1959, 879
— Training Corps, Air Cdre. A. G. Dudgeon appointed A.O.C., 884
— — —, Duke of Edinburgh's Award, winners of, 742
— — — gliding school at Abbotsinch being opened by A.V.M. A. D. Selway, 394
— — —, Gp. Capt. A. G. Dudgeon made Deputy Commandant of, 259
— — — No. 122 (Glasgow) Sqn., Gillan Trophy presented, 218
— — — No. 152 (City of Hull) Sqn., luncheon marking retirement of Sqn. Ldr. J. McIndoe, 259
— — — No. 1024 (East Wight) Sqn. annual prize-giving, 218
— — —, Wg. Cdr. W. Norrie, retired, presented with salver, 259
— Transport Advisory Council, cross-Channel car ferry service, applications for, 771
— — as a "System" (illus. article), Pt. 1, 573; Pt. 2, 599
— — Licencing Board, proposals should have been presented to Parliament, 228; Leader, 261; S. & L., 281; commentary on Bill (photo.), 283; summary of main points, 291; Are the Reins too Tight? (article), 315; ten air transport questions, 338; S. & L. 345; H.o.C. debate report, 350; Frank Beswick's comments on, 391; misleading comparisons, 392; S. & L., 420; Lord Douglas reserves comment on, 422; amendments, 424; further amendments, 454; Unions and the Bill, 458; aerial advertising clause approved at committee stage, 460; final amendments, 466; final phase review (photo.), 661; Civil Aviation (Licensing) Bill, H.o.L. reading, 697; X and Y licences, 700; amendments made to, 737; closed-group operations require licence, 740; Bill passed, 771
— —, "Open Skies" for, article, 874
— transports, economics of (S. & L.), 281
—, Under-Secretary of State for, British Forces Arabian Peninsula, R.A.F. visit, inspection details, 132
— Union, East European (see under East)
— — (ground servicing association), members and details, 294
— —, "most of important principles" concerning treaty to incorporate now settled, 29; inauguration postponed, report of activities, 90; November inauguration confirmed, 353; Rome meeting date settled, 458; expected inauguration date, 671; delay of inauguration date, 882
AIRCENT, Royal Flush V., place and dates, 672; aerial reconnaissance competition, 706
Airco, anomaly in new British Aircraft Industry (S. & L.), 756
— D.H.121, automatic blind-landing capability (Leader), 95; details (photo., cockpit layout), 120
— — (B.E.A. automatic landing illus. article), 238
— —, Boeing and Convair officials studying, D.H. team return from Boeing visit, 457
— — expected production rate (photo., nose of first taking shape), 423
— —, first fuselage section arrives at Hatfield (photo.), 575
— — nose section undergoing water tank tests (photo.), 28
— — (photo. first for B.E.A. in assembly hall), 458
— —, progress report (illus.), 102
— — project to be undertaken by de Havilland Aircraft Co. Ltd., 810
— —, sales team gimmick (S. & L.), 153
— — versus VC11, 290; data comparisons, 611
— —, Vickers Type P.V.3915 hydraulic pumps ordered, 97
Aircraft carriers, future of, 453
— Exchange, Britannia 318 lease offer, Northwest become 100th member, 189
— —, Viscount 755Ds, two offered, 671
— Ground Equipment Ltd., A.G.E. unit built for B.O.A.C. Boeing 707s (photo.), 704
— — — —, ground equipment range, 124
Aircraft-Marine Products (Great Britain) Ltd., address changed, engineering manager appointed, 318
— Radio Corp., A.D.F. director instrument, 753
— Recognition Society annual competition details, 32; sixty teams participating, 97
— — —, president's address announced, 521
— Steel Structures Ltd., R. G. Tolley joins as director and general manager, 426
Airline captains' pay (Leader), 855
— Pilot (author), 221
— Pilots' Association, B.A.L. and PanAm pilots advised to return to work, 880
— — v. Service pilots (S. & L.), 539
— safety record, Britain's (table), 118
—, World's Biggest, American Airlines and runners-up, 321
Airliner interiors, Pt. 1, British equipment (illus.), 105; Pt. 2, art and engineering of furnishing (illus.), 110
Airlines of the World, air traffic in U.K. (illus. analysis), 475; Lord Douglas answers questions on U.K. internal services (portrait), 483; Directory (illus.), 484; scheduled traffic (illus.), 516
— shopping list, 54; no. 7, 56; addition, 55; correction, 94
Airmed Ltd., Airlite headset being worn (photo.), Executair to use, 550
"Airplanes" v. "aeroplanes", Martin Co. letter (S. & L.), 21
Airports, British, Government financial assistance recommended, 351
—, U.K., heavy deficiencies in cost of running, 292
—, —, movements, 220
—, U.K.'s ten busiest, 294
Airship memories, RNAS (illus. article) 803
Airtech Ltd., air-transportable F.S.K. transmitting and receiving station/message-centre, M.o.A. order, 426
— —, R. B. Young joined as sales manager, 157
Airway Blue 26 to be established in spring again, 282
Airwork Ltd., Bristow Helicopters Ltd. entire share capital acquired, 135
— —/Hunting-Clan merger report, no comment, 189; S. & L., 281; further details and fleet sizes, 352; B.A.L.P.A. statement on pilot selection, 390; Maurice Curtis resigned (portrait), British United Airways, likely name for consortium 544
— Services Ltd., D. M. Roberts appointed engineering manager and Sqn. Ldr. J. P. Tyszko becomes Cessna sales manager, 426
Airworthiness standards, civil and military (Leader), 613
Alaska Airlines, T.W.A. Convair 880s, may receive six, 392
Alaskan Airways, Caravelle negotiations for 1961 delivery, 611
Alexandra, Princess, R.A.F. Wattisham visit due 548
Alitalia Caravelle service between London and Rome started, 741
